Consortium Structure Description: The AEICC is led by business and industry as mandated in its charter. The chair and vice chair come from the energy sector and serve two-year terms. It operates under a committee format where most of the work is done. There are currently four committees- Career Awareness and Outreach, Policy and Education, Funding, and Untapped Labor Pools.

Membership Structure/ Fees Description: Membership is open to all interested parties at no charge.

Meeting Schedule Description: The AEICC meets bimonthly.
