### **Consortium Structure Description:**

- The Consortium is governed by Board of Directors and the Executive Committee with members assigned to one of six committees. The committees are responsible for developing and implementing specific actions identified in the Strategic Plan

**Membership Structure/ Fees Description:**

- Consortium membership is open to electric, oil and gas utilities, nuclear, generation, industrial construction, utility construction, Department of Labor, state and national associations, education, and other related support organizations.
- All members are required to pay membership dues, unless approved by Executive Committee
- Membership levels are as follows:

Membership Level	Annual Dues
Utility Sector Member	\$ 1000
Industrial Construction Member	\$ 1000
Utility Construction Member	\$ 750
Education & Training Member	\$ 500
Trade Association Member	\$ 500
Affiliate Member	\$ 250
Supporting Member	In-Kind Donations
Guest	\$15 per meeting registration fee

**Meeting Schedule Description:**

- The General Consortium meets at least bi-monthly.
- The Executive Committee meets the off months of the Consortium meetings
- The Executive Committee meets bi-monthly and committees meet as necessary based on project and initiative schedules. Committee meetings will be held by face to face, teleconference or net meetings.
- The Consortium meetings will be hosted by a consortium member company or organization. A volunteer to host the next meeting will be solicited at the end of each meeting. The volunteer is responsible for meeting logistics–facilities, scheduling, refreshments, and lunch.
- A quorum for the transaction of any business by the Committee(s) shall be a majority of the members of the Committee(s).
