

Questions/Format (based on a 60-minute program)

1. Briefly describe your job responsibilities. Include the knowledge and skill sets required (in kid-friendly terms).
2. What do you like best about your job?
3. What are the most challenging aspects of your daily work?
4. Take the students through your typical day. Walk them through the places you work. When possible, show them how you use your equipment, and if there are any opportunities for them to try something out, please incorporate.
5. At the end of the day, how do you see yourself making a difference in the world?
6. Take questions from the students.
