Northeastern Arizona Veterans' Resource Guide

The Northeastern Arizona Veterans' Resource Guide is a product of the "Get Into Energy" grant received by Northland Pioneer College. One of the deliverables of the grant was to reach out to Veterans. John Spadaccini, Manager of Career and Workforce Business Services joined Northland Pioneer College as Career Coach for the energy grant in September 2013. Mr. Spadaccini thought it would be a good idea to identify the resources available for Veterans in Northeastern Arizona and the result is this guide.

Mr. Spadaccini organized two meetings with Veteran service organizations where it was determined that a resource guide was needed. Patti Webster and Lindy Parish stepped forward during the spring of 2015 to volunteer their services in preparing the resource guide. This guide would not have been possible without their help and leadership.
